

# Robotics & Automation Division

## Custom Automation

- Material Handling
- Machine Tending
- Stacking & Unstacking
- Palletizing & Depalletizing
- Assembly

**NOT JUST ROBOTS, WE HAVE DECADES OF EXPERIENCE IN FIXED AUTOMATION**

**Replacing Hands You Can't Hire**

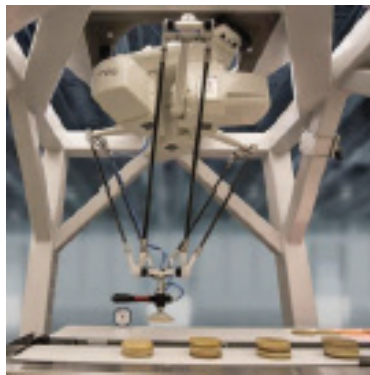

# Leading Technology - Lasting Performance

[www.MEREEN-JOHNSON.com](http://www.MEREEN-JOHNSON.com)

PREFERRED INTEGRATOR

**Packaging & Palletizing**

**Sorting & Stacking**

**Machine Tending**

## Turn-Key Systems

- Concept Development
- Design
- Program
- Fabricate & Build
- Integrate
- Install
- Train
- Troubleshoot
- Support

## Markets

- Wood Industry
- Food
- Medical
- Machining
- Injection Molding
- Die Casting

## Technologies Include:

- Machine Vision
- Flexible Feed Systems
- Quick Changeovers

**De-Stacking**

**Stacking**

**Autonomous Mobile Robots  
Machine Tending**

**Call or email today for a robotic/automation consultation**
